Department/Division: Parks & Recreation / Community Recreation

Purpose: To passionately coach the young men and women interested in competing in this sport.

Requirements: I prefer high energy & engaging people that can work with children and teens. Experience in events is highly preferred but not required as we can educate. We will provide you with the tools and information to coach successfully. People that are really into the Columbia community would be great; but this works out great for college students as well that aspire to be coaches in the future. The ability to take authority of a group. My major requirement is consistency with attendance, good role models and dedication.

Task: Coach, guide and instruct the young men and women in their continuous pursuit of getting better at their craft. Will come to practices and be a positive, encouraging, supportive role model and example to our kids and for our club.

Dates: Season is from April-July. Normal practices are Tues, Thurs (6-730p) & Saturdays (10-11am). Approximately 3-5 hours a week. Specialty practices (hurdles, jumps, etc) days and times can vary; and we may be able to be flexible. Meets are most often on weekends, coaches are welcome to attend, but not required. Distance coaches will have the opportunity to coach cross country in the fall if desired.

Location: Based out of the Armory Sports Center – 701 E Ash. Corner of Ash and 7th street downtown behind the Courts Building. Practices take place at the high school tracks, early season practices are most often at Stephen's Lake Park.
